07-16-0### Motion by _____, seconded by _____ and unanimously carried, it was resolved to approve the following resolution:

WHEREAS, regional public transit connecting Macomb, Oakland, Washtenaw, and Wayne Counties is vital to meeting the region's needs and to competing with areas across the country for jobs, investment, and growth.

WHEREAS, Southeast Michigan is the only major region in the country without a modern, connected regional transit system.

WHEREAS, Southeast Michigan's regional public transit system is severely underfunded compared to the rest of the country.

WHEREAS, a large majority of jobs in the region are not readily accessible by regional transit, and many communities and job centers are not served by public transit at all.

WHEREAS, the ability of workers to get to jobs using reliable regional transit is critical to the health of our economy.

WHEREAS, reliable regional transit is essential to provide access to grocery stores, health care providers, schools and other vital services and to help strengthen and maintain independence for seniors and individuals with disabilities.

WHEREAS, modern rapid transit has been shown to be a powerful catalyst for economic development and a central factor in attracting and retaining talent, making regions economically competitive and increasing property values.

WHEREAS, the Regional Master Transit Plan (Master Plan) will provide Southeast Michigan with rapid, reliable, regional transit in an efficient and cost-effective way.

WHEREAS, the Master Plan will provide premium rapid transit options, express service to the airport, frequent and seamless connections between and across the counties, new links to unserved and underserved areas, and expanded services for seniors and individuals with disabilities.

WHEREAS, the Master Plan will expand access to jobs, education, and vital services; provide convenient new options to get to work, sports, entertainment, and cultural destinations; make the region's economy stronger and more competitive; and improve overall quality of life.

WHEREAS, the Master Plan will be implemented in partnership with the current transit providers, building on and coordinating the current systems to create a seamless, efficient regional network.

NOW, THEREFORE, IT IS RESOLVED that the City of Wayne hereby expresses its strong support for the adoption of the Regional Master Transit Plan and the need for a modern, connected regional transit system in Southeast Michigan.

IT IS FURTHER RESOLVED that a copy of this resolution has been sent electronically to the RTA of Southeast Michigan.

RESOLUTION DECLARED ADOPTED.

RE: Crime Stoppers of Michigan \$400.00 Donation

Recently, I was contacted by Crime Stoppers of Michigan requesting our continued support in their program. Crime Stoppers is a non-profit organization focused on preventing, stopping and solving crime for Southeast Michigan. Donations are critical to their success which ultimately impacts the communities they assist. On several occasions, the police department has called upon Crime Stoppers for help with our criminal investigations. They have immediately assisted us free of charge. This will be the **sixth** year that the City of Wayne Police Department has donated \$400.00 to this organization. The donation will be drawn from the drug forfeiture fund and will not impact our current operational spending at the police department.

Please submit this to the City Council to be reviewed and filed. I have also attached a copy of a thank you letter that I received from Crime Stoppers explaining how our donation helps make Wayne County safer.

- Operate Crime Stoppers' Project Safe Campus K-12 school prevention program
- Develop community engagement efforts – including more than 130 faith-based partnerships

The Wayne Police Department's \$400 partnership with Crime Stoppers is up for renewal in 2016.

We understand that, without the work that the men and women from your department do every day, our efforts would be meaningless. We also understand that law enforcement budgets are tight. If your budget allows for the department to renew its current level of support again this year, your partnership, costing less than \$8/week, can make a big difference in helping us continue to aid law enforcement across Southeast Michigan.

Together, we are making our community stronger.

Sincerely,

Dan DiBardino
President & CEO
